2. 대화를 듣고, 남자의 의견으로 가장 적절한 것을 고르시오.

M: Honey, have you heard that eating seaweed has become a popular trend?

W: Yes, I have. I even saw that some of my friends were eating seaweed as a snack. I think they're trying to eat healthy foods.

M: You know what? People usually think of seaweed as healthy but, actually, there's something else that people should know about seaweed.

W: What is that?

M: The great thing about seaweed is that it's good for the planet.

W: Really? How so?

M: Unlike crops, growing seaweed doesn't require the use of pesticides or fertilizers.

W: I see. Pesticides and fertilizers are bad for the environment.

M: Exactly! Also, seaweed colonies are like forests in the ocean. They absorb CO<sub>2</sub>, and they help support other marine life.

W: That's interesting. I've heard that absorbing CO<sub>2</sub> is helpful in fighting climate change.

M: That's correct. That's why growing seaweed can help save the Earth.

W: Thanks for telling me. I'm going to start eating seaweed to help the planet.

3. 다음을 듣고, 여자가 하는 말의 요지로 가장 적절한 것을 고르시오.

W: Hello, listeners! This is another one of Dr. Kim's 30-second health tips. Today I'm going to talk about why maintaining good air circulation in your home is beneficial to your health. To start with, it's essential to keep the air in your house clean and fresh. You can do that by opening your windows regularly to keep the air flowing. When the air in your home is flowing, it helps to keep the room temperature and humidity under control, which is good for your body. If the air is unable to flow throughout the house, pollutants can build up, which can lead to respiratory problems. Just by opening your windows for a few minutes every day, you can protect your health. I'll be back next time with more tips for your health.

4. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

M: Hello, Daisy. Is everything ready for your yard sale?

W: Hi, Mr. Brown! We're almost there. How does it all look?

M: It looks great. I love the banner between the trees.

W: Thanks. My brother made it himself.

M: That's awesome! And that stuffed bunny rabbit on the table is adorable.

W: Yeah, kids will love it. What do you think of the guitar leaning against the armchair?

M: I like it. It looks brand new. It'll sell quickly.

W: I agree. And did you see the suitcases on the star-patterned mat?

M: Yes, they're perfect for travel lovers. Oh! I like the two pairs of boots near the clothes rack.

W: Thank you. Those are from my daughter. I hope someone buys them.

5. 대화를 듣고, 여자가 할 일로 가장 적절한 것을 고르시오.

W: Honey, can we talk about our road trip to White Sands National Park this weekend?

M: Sure, let's go over the to-do list. If we are going to head out into nature, we need to be prepared.

W: Agreed. Okay, did you confirm the reservation for the hotel near the park?

M: Yes, I did. I called and confirmed that our room will be ready.

W: Great! Did you pick up the sleds so we can go sledding down the sand dunes?

M: Ah, I forgot to tell you. I went to the store, but they were sold out.

W: That's no problem. We can borrow one from the visitor center. I still need to go to the car and check the tire pressure.

M: I can take care of that for you. I'm about to go out anyway. What about the maps for the park? Have you downloaded them?

W: No, I haven't, but I'll do that right now because it's hard to get Internet access in the park.

M: Perfect. I'll pick up some food for our trip on my way home tonight.

W: Sounds good.

6. 대화를 듣고, 남자가 지불할 금액을 고르시오.

W: Hello! Welcome to Jamie's Sports Gear Shop! How can I help you today?

M: Hi, there! I'm looking for a good tennis racket. Do you have any recommendations?

W: Absolutely! These are our best-selling rackets. This heavy one will provide you with more power when you hit the ball, while this light one will help you put more spin on the ball.

M: Great! How much are they?

W: The heavy one is \$150, and the light one is \$200.

M: Well, they're both a little pricey, but since I give tennis lessons to little kids, I'll take the light one.

W: Sounds good! Is there anything else you're looking for today?

M: Yes, do you have caps? I might want to get one.

W: Of course! All of the caps that you see over here are \$20 each.

M: Alright, that's reasonable, then I'll take one light racket and two caps.

W: Awesome! And I have some good news for you. This month when your purchase is over two-hundred dollars, you get a special discount of \$20 off the total.

M: Fantastic! I'll pay with my credit card.

7. 대화를 듣고, 여자가 전자책 구독을 해지한 이유를 고르시오.

M: Hey, Sophie, what was the name of the website you used to download ebooks? I'm thinking of buying a subscription.

W: Oh, you mean *Ebook Space*? I recently cancelled my subscription.

M: You did? You said it's one of the best ebook websites to download new releases.

W: That's true, it is! They even have rare old comic strips.

M: Really? Then why did you cancel your subscription? Did they raise their prices?

W: No. The thing is, I was using the family-share plan so my parents could also have access to my account.

M: Oh, okay, that was smart of you to do that.

W: Yeah, my parents loved reading ebooks for free, but the company ended the family-share plans last month, which is why I cancelled my subscription.

M: I see. Well, I wouldn't buy that plan anyway, so I'll look at the other plans they offer.

W: If I were you, I would just try their one-month free trial and see if you like it.

M: That's a good idea, thanks.

8. 대화를 듣고, London Afternoon Tea Bus Tour에 관해 언급되지 않은 것을 고르시오.

W: Hey, honey, what are you looking at on your phone?

M: Hi, honey! I've been looking for a tour for our tenth anniversary.

W: Great! So, did you find a good one?

M: Yes, it's called London Afternoon Tea Bus Tour. We can go to famous tourist attractions like Big Ben and Buckingham Palace and take a good look at them while we sit on the bus and enjoy British tea and scones.

W: Wow! Let me take a look. *[pause]* It looks like a nice tour. How long does the tour take?

M: It says that this tour takes approximately one hour and thirty minutes.

W: What about the price?

M: It costs £50 per person.

W: Terrific! We can afford that. Where can we catch the tour bus?

M: Let's see. I'll scroll down and find out. *[pause]* A-ha! Luckily, we can catch the tour bus in front of our hotel.

W: That's perfect. Let's book two tickets.

M: Okay, I'll do it right now.

10. 다음 표를 보면서 대화를 듣고, 남자가 주문할 Standing Desk를 고르시오.

W: Hey, sweetie! What are you doing?

M: Hey, Mom! I am trying to find a good standing desk online. I need one because of my back pain.

W: Oh, that's right. Did you find a decent one?

M: So far, I have found these five, but it's hard to pick just one.

W: Alright, our budget is \$500. Let's take a look. How tall do you want it to be?

M: Well, since I'm tall, I want it to be 120 cm or higher.

W: That makes sense. What about drawers? Do you need any?

M: Yes. I need at least two drawers.

W: Okay, that leaves us with these two options. Do you need a desk with wheels?

M: No, I'm not going to be moving it around very much.

W: Then it's better to get one without wheels.

M: You're right. That makes the decision easier. I'll order the one without wheels.

11. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Jason, I'm considering getting new glasses. I know you have a good sense of style. Do you have any suggestions for the frames?

W: Okay. I have a round face. Which frames do you think would be better?

M: \_\_\_\_\_

12. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Irene! Why are you throwing out that medicine?

W: Dad, it's out of date and not safe to take anymore. What's the problem?

M: Putting medicine in with regular trash is bad for the environment. There's a collection box at the pharmacy for expired medicine.

W: \_\_\_\_\_

13. 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Justin, what are you looking for?

M: Mom, have you seen the newspaper? I need it for my homework but I can't find it.

W: Yeah, it's right over here. What's the assignment?

M: It's part of my social studies project. I have to find an article about an issue that interests me and write a letter to the editor explaining what I think.

W: That's good practice for critical thinking and for writing as well.

M: But I don't read the newspaper, so I have no idea where to start.

W: Honey, try not to overthink the assignment. Keep it simple.

M: What do you mean?

W: You can start with trying to find a news article about our neighbourhood or one that affects your school.

M: Hmm. Oh, the headline of this article says the bus stop in front of my school will be gone soon. A lot of students need that bus stop!

W: That's a good start on your assignment. Now what are you going to say in your letter to the editor?

M: \_\_\_\_\_

14. 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Hi, Kate. What are you looking at on your phone?

W: Hi, Oliver. I'm using an app to learn Spanish.

M: Haven't you taken after-school Spanish classes before?

W: No, I haven't. It's my first time studying Spanish.

M: Isn't it hard to learn by yourself? If I were you, I'd rather take a class after school.

W: I would, but I don't have enough time to take a class after school. That's why I'm using an app.

M: Oh, I see. What are the advantages of learning a language using an app?

W: Well, unlike in a regular class, you can learn at your own pace, which makes things easier.

M: I see what you mean. You can enjoy learning a language without any pressure. What else is good about it?

W: There is an AI language tutor which corrects your pronunciation.

M: Really? How does it work?

W: \_\_\_\_\_

15. 다음 상황 설명을 듣고, Eric이 Anna에게 할 말로 가장 적절한 것을 고르시오.

M: Eric and Anna are members of a science club. They are working on a school farm project. They are each growing different plants on their school's farm. Anna diligently cares for her plants, watering them every day, but notices that one of them is dying. She gives it nutrients and removes weeds around it, but she can see that the plant is still dying. She asks Eric for advice because she has seen him take great care of his plants on the school farm. Eric thinks that Anna's plant is being watered too much, so he wants to suggest to Anna to water it less often. In this situation, what would Eric most likely say to Anna?

16번부터 17번까지는 두 번 들려줍니다.

[16 ~ 17] 다음을 듣고, 물음에 답하십시오.

W: Welcome back to Mary's Fun Radio Show! Today, we're talking about how we can celebrate animals more often. Here are four festivals that do exactly that. First, there is the Pushkar Fair in India, and it includes the world's largest camel fair. The camels are decorated with jewelry and take part in parades. Next, Thailand holds the Monkey Buffet Festival on the last Sunday in November. The monkeys are the guests of honor at a huge feast prepared by chefs. There are fruits, vegetables, and even desserts for the monkeys to eat. In Canada, there's the Edmonton Cat Festival which brings people together to raise money for various organizations that help cats in need. Lastly, visitors to Spain can experience the Transhumance Festival on the streets of Madrid in October. It dates back to the tradition of guiding herds of sheep from one area to another. During the festival, you'll see thousands of sheep taking over the main streets. We'll be back next week with another fun show.
